

Eddie Flynn Cutting Clinic

Eddie Flynn grew up in a horse orientated family, and as a young man, participated in many kinds of equine disciplines. Eventually, cutting horses became his passion and his life. After competing successfully as a Non-Professional, he decided to turn his hand at training for the public. During his time as a Professional, he has earned close to 2 million dollars, and was inducted in 2005 into the NCHA Hall of Fame. He specializes in Limited Age Events and has trained and shown horses that have won the NCHA Summer Spectacular and the NCHA Classic Challenge numerous times, as well as the NCHA Horse of The Year, the Pacific Coast Cutting Horse Futurity and many other titles from all across the country. Eddie trains and resides with his family in the small town of Lipan, just west of Weatherford TX.
