

COCHA (Central Oregon Cutting Horse Association) is seeking your valuable support for our 2017 show season. Established in 1954 by a handful of local ranchers and cutting horse enthusiasts, COCHA was formed as a non-profit organization whose principal purpose, both then and now, is to promote the sport of cutting. Thank you in advance for your consideration in sponsoring our club.

COCHA produces eight shows per year. These events draw participants from local amateurs level up to the national competitors from areas all around the Pacific Northwest region. Visit our website at www.cochacutting.com

COCHA provides instructional clinics through both local and national trainers with NCHA Hall of Fame Riders to National Futurity Champions such as Phil Hanson and Lindy Birch (TX) Lloyd Cox (OK), Russ Miller (ID), Andrew Coates and Gavin Jordan (CA) and others.
